PAST COMMANDER'S ASSOCIATION OF COLORADO PROGRAM

The Past Commander's Association of Colorado was established to recognize those Sir Knights who are present and past Eminent Commanders who have never taken the last step in their journey of Light, which is obtaining the final Degree to their Christian Knighthood.

Each year during the Colorado Grand York Rite Sessions, the Past Commander's Association conducts that final degree to those Sir Knights who seek this degree. Upon conclusion of the degree, each Sir Knight will be honored to wear their Past Commander's jewel - identifying them within the ranks who have passed that degree.

If you are currently a sitting Eminent Commander or a Past Commander who has never taken this degree, don't miss the next Degree Class. You simply go to the Forms tab of www.coloradokta.org website, fill out and print off the form and submit it to SK John Francis, Recorder, Knights Templar Association of Colorado.
