## KNIGHTS TEMPLAR ASSOCIATION BANNER RECOGNITION PROGRAM

The Knights Templar Association Banner Recognition Program was established to recognize those Commanderies that have participated in the Christmas Program, an Easter Program, an Ascension Day Program and marching in a parade in their Commandery Uniforms. These programs can be programs sponsored by your Commandery or by members of your Commandery attending the programs sponsored by the Knights Templar Association. A Commandery may achieve one or more of these banners by submitting the Banner Request Form, signed by the Eminent Commander and sent to KTA by 15 July.

In order to recognize and present your Commandery Banner(s) earned, we ask that you indicate your Commandery name and number and which banner(s) your Commandery should receive by placing an X next to the appropriate program on the Banner Request Form.

Furthermore, effective 27 January 2015, Banners will not be sent to the Commanderies until the yearly Dues have been paid to the KTA Treasurer.
