To: All Colorado Sir Knights

On April 12, 2020, Sir Knights throughout the United States will be joining the Sir Knights of Colorado in celebrating our 2nd year in hosting the Western States Easter Observance for the Grand Encampment. This is the principal Easter Service for the Western United States.

We are so proud of this great honor to host this service where Sir Knights will travel to Colorado from all States west of the Mississippi River to join us in celebrating Easter at the Denver Consistory.

Our great WESO team has been working extremely hard to put together a service that you will remember and be excited to return and join us in 2021.

We will have special room rates available for those who would like to attend the scheduled Banquet on Saturday evening followed by Sunday morning Easter services and breakfast to follow. Please visit www.wseo-denver.com for more details.

We are all looking forward to fulfilling this great honor bestowed upon the Knights of Colorado.

Sir Knight Lyle Wilkes is the Chairman of the Local committee for this event. Please help support his needs if called upon.

Courteously,

S. K. John Zeaphey, G.C.
